## Continuing the Bettcher tradition of innovation and excellence.

In 1999, Gainco became a member of the Bettcher Industries family of companies. With a legacy of innovation dating from 1944, Bettcher is a leading name in the meat processing industry.

The company's pioneering trimming and cutting products are used in processing plants throughout the world.

Whizard® trimmer technology from Bettcher continues to set the pace and establish new benchmarks for performance and productivity enhancements.

AirShirz® pneumatic scissors, winner of the Industrial Engineers Excellence in Productivity Award, are redefining worker efficiency and comfort on meat and poultry production lines.
